

Quality Policy

Sunstate Cement Ltd. (Sunstate) is committed to delivering products and services of the highest quality using an integrated Quality Management System.

To achieve this commitment we will ensure:

- We understand and satisfy the needs and expectations of each of our customers and provide them with solutions that are sustainable, economic and safe
- We comply with statutory regulations
- Every element of our operations complies with AS/NZS ISO 9001
- We undertake internal and external audits and apply continuous improvement principles to achieve best practice
- Training and supervision will be provided to ensure safe systems of work are developed and operated throughout the company.

All staff are aware of their responsibilities within our management system and are committed to its future success. The accountability for Quality resides with the leadership team at Sunstate and we commit to provide the necessary resources to implement strategic direction.
