# Quality Policy

Sunstate Cement Ltd. (Sunstate) is committed to delivering products and services of the highest quality, using an integrated Quality Management System.

To achieve this commitment, we will ensure:

- We understand and satisfy the needs and expectations of each of our customers and provide them with solutions that are sustainable, economic and safe
- Every element of our operations complies with AS/NZS ISO 9001:2015
- We undertake internal and external audits and apply continuous improvement principles to achieve and sustain best practice
- Training and supervision will be provided to ensure quality is included in all aspects of our work throughout the company
- Our staff are aware of their responsibilities, within our management system, and are committed to its success

The accountability for Quality resides with the leadership team at Sunstate, and we commit to providing the necessary resources to maintain our Quality System.

**Peter Edwards**  
General Manager  
August 2019

A handwritten signature in black ink, appearing to read 'Peter Edwards'.
